

Credit Requirements

I-Loan Finance brings to market an innovative and competitive product range that allows our business partners to access products with a real point of difference.

This means that we have slightly different credit requirements than you may be used to.

To help you to assist us in providing your Clients with the smoothest possible transaction, below are documents that are mandatory for I-Loan Finance Applications.

For all Prime Loans

- Medicare Card for all applicants (and their dependents)
- Most recent one month bank statement showing salary deposits
